

REMARKS

STATUS OF THE CLAIMS

Claims 1, 18-30 32-34 and 36-38 are currently pending in this application. Claims 1, 22, 34 and 36-38 have been cancelled without prejudice or disclaimer. Applicant reserves the right to pursue the subject matter of these claims in this or another application. The Examiner is thanked for the indication that claims 18 and 26 would be allowable if rewritten in independent form to include the features of the base claim and any intervening claims. Each of claims 18 and 26 has been rewritten in accordance with the Examiners suggestion. Accordingly, Applicant respectfully submits that claims 18 and 26, and claims depending directly or indirectly therefrom, are now in condition for allowance.

Claims 19-21, 23-25, 27-30, 31 and 32 have been amended so each depends directly from independent claim 18.

Accordingly, no new matter has been added by these amendments and no estoppels are intended thereby. Reconsideration and withdrawal of the outstanding rejections is respectfully requested in view of the following remarks.
